HCI International 2018

20th International Conference on Human-Computer Interaction

HCI International 2018, jointly with the Affiliated Conferences, held under one management and one registration, invites you to participate and contribute to this major international forum for the dissemination and exchange of up-to-date scientific information on theoretical and applied areas of HCI. Past HCII Conferences were attended by approximately 2.000 participants from more than 70 countries.

NEW! Mentoring Sessions for PhD students
- by James Lewis: (i) "HCI career trends - past, present and future" and (ii) "Transition from a PhD student to an industry professional".
- by Gavriel Salvendy: (i) "Development of a PhD Thesis and its dissemination" and (ii) "Transition from a PhD student to Faculty".

NEW! Student Design Competition
Students (undergraduate, postgraduate or doctoral) are invited to submit an up to 5-minute video clip in MP4 format that presents their design idea, including statements and elaboration of the objective, method, innovation and outcome. All video clip submissions accepted for the Student Design Competition will be presented during the conference. Three awards will be presented.
Deadline for submissions: 15 January 2018

NEW! Demonstrations
An alternative form of presenting ideas and results to conference participants.

Awards
The best paper of each of the HCII 2018 Thematic Areas / Affiliated Conferences and the best poster will be given an award.

Exhibiting at the Conference
The HCII Conference is an ideal opportunity to exhibit your products and services to an international audience of academics, researchers, professionals and users in the field of HCI.

Proceedings
The Conference Proceedings will be published by Springer in a multi-volume set. Papers will appear in the LNCS and LNAI series, while Extended Poster abstracts will be published in the CCIS series. All volumes will be available on–line through the SpringerLink Digital Library, readily accessible by subscribing libraries, and indexed by a number of services, including ISI CPC, EI Engineering Index, ACM Digital Library, Google Scholar, etc.
